RADIANT TRUST INTERNATIONAL

A Ghanaian Social Enterprise

COMPANY PROFILE

RADIANT TRUST INTERNATIONAL

INTRODUCTION

Radiant Trust International (RTI) Ghana, is a non-governmental humanitarian organization that promotes social change and environmental issues in deprived areas in Ghana and other parts of West Africa.

RTI Ghana interventions seek to work with the public sector and other likeminded non-profit entities to address deep social problems in areas such as education, health, water and sanitation, gender equality, tourism promotion and agriculture.

We work across the 16 regions of Ghana and beyond to improve rural livelihoods and sustainable food systems in Ghana.

RTI envisions a society where deviant behaviors or conducts that are commonly considered inappropriate in our society are eradicated or reduced to the barest minimum.

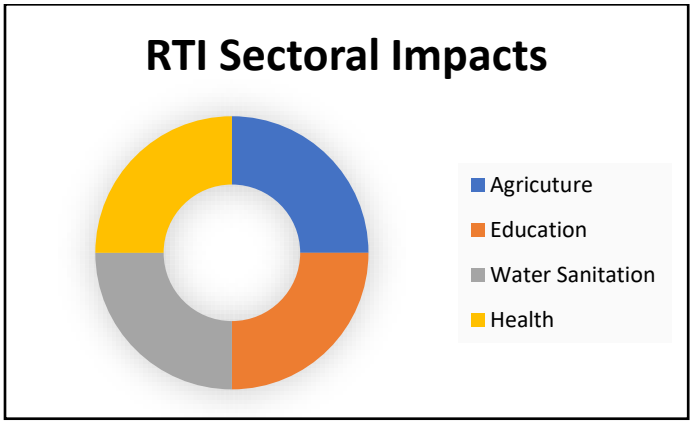

VISION

Become a leading social enterprise in Ghana and the West Africa subregion.

MISSION

Help build a society devoid of hardships through the promotion of agro ecological principles, health, education and rural entrepreneurship through capacity development and South-South exchange programmes.

IMPACT SECTORS

KEY ACTIVITIES

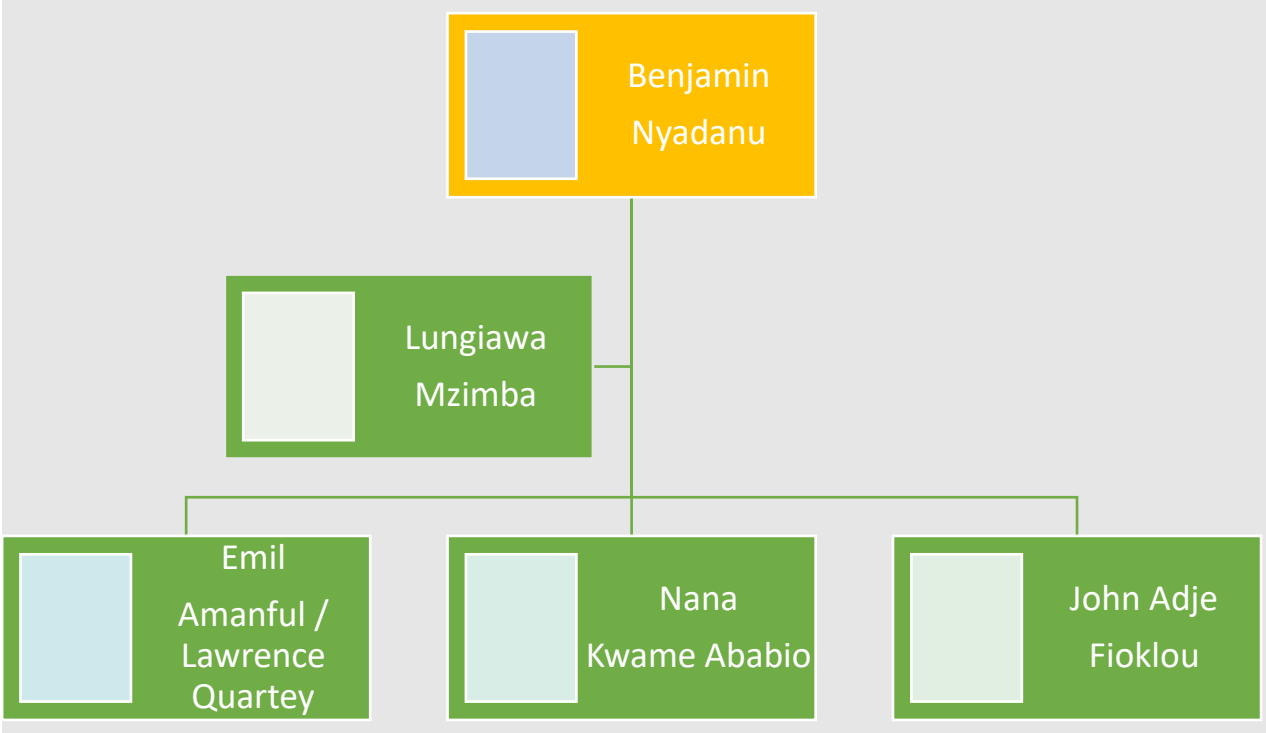

1. Collaborate with funding agencies to provide aid and support deprived communities.
2. Work with communities to promote and improve educational standards
3. Forge partnership with Government and other non-profit entities to address social and environmental challenges confronting the underprivileged in society.
4. Provide skills training and start-tools/implements for persons into the agribusiness and other economically viable ventures
5. Provide humanitarian assistance to persons such as drug addicts and physically disadvantaged
6. Conduct research into social problems in communities that are deprived and design models of solutions
7. Promote sustainable agro-based solutions to improve the livelihood of rural poor
8. Enhance rural livelihoods through improvement of agricultural development and water supply systems
9. Help promote vocational and technical training for the less privileged in our society
10. Help promote climate change
